AI-Based Plagiarism Detection Framework v0.1

Report ID: plagcheck-202610150808556204O1Z
Submission: submission.txt
Analysis Timestamp: 2026-10-15T08:08:55.620701+00:00
Overall Similarity: 0.45

Methodology

Normalized text comparison, sentence-level exact/near-exact overlap, and TF-IDF cosine similarity are combined to assess potential direct copying without asserting guilt from a single score.
