AI-Based Plagiarism Detection Framework v0.1

Report ID: plagcheck-20261015083315352524Z
Submission: srs.pdf
Analysis Timestamp: 2026-10-15T08:33:15.355189+00:00
Overall Similarity: 0.2102

Methodology

Normalized text comparison, sentence-level exact/near-exact overlap, and TF-IDF cosine similarity are combined to assess potential direct copying without asserting guilt from a single score.

Matching passages
