AI-Based Plagiarism Framework v0.1

Report ID: plagcheck-20261015085809740379Z
Submission: submission.txt
Analysis Timestamp: 2026-10-15T08:58:09.740624+00:00
Overall Similarity: 0.7

Methodology

The displayed overall score uses the highest-scoring reference: 50% sentence-level exact overlap, 40% qualifying near-exact overlap, and 20% TF-IDF cosine similarity, capped at 100%. Passage evidence is reported separately. TF-IDF measures broad vocabulary similarity and is not proof of copying.
